

Are you our next HASSRA London **VIP?**

NEWS FLASH!!!

Dozens of VIP O2 tickets are up for grabs to some of the world's top acts appearing at this great venue throughout 2016.

Look out for competitions on the Facebook group, Twitter feeds, the Londoner magazine and our round up emails for details.

These tickets are truly special as they offer entry into the exclusive VIP area, and to the reserved 'best in the house' seating.

Plus if available, entry into the exclusive backstage lounge.

All sounds too good to be true? Well it isn't!

HASSRA London has negotiated with the O2 to give you the chance of winning these tickets at the O2 event with all the trimmings.

Avoid the queues outside and walk into the VIP leisure lounge with exclusive catering & bars for your pre-event relaxation. Then take the VIP stairs/lift to your VIP seats in block 102 / 103 of the arena, sit back and enjoy.

During the intermission you might want to go to the Chairman's lounge backstage; you might even bump into a famous person or two enjoying the hospitality themselves!

It's a VIP, red carpet night out all the way and just for being a HASSRA London Member – Good Luck!
