Novotel Ypres

<https://novotel.accor.com/gb/city/hotels-ypres-v1754.shtml>

The Novotel Ypres hotel is situated in the old town, a short walk from Menin Gate, so the central location makes it a perfect base for exploring the city. It is conveniently located in a quiet area within the city centre, and has a fitness centre, terrace, bar, and free WiFi throughout the property.

Apart from exploring the beautiful city centre of Ypres, the hotel is in a good location for visiting the nearby city of Lille with their Xmas Market, as does Ypres.

Despite centuries of history, Ypres is best known for what happened during the First World War. The Menin Gate memorial is where the Last Post sounds in tribute every night to the soldiers who fell.

The terraces and coffee shops around the square are ideal for a relaxed coffee. There are a variety of lovely restaurants, as well as stylish shops. On Saturdays there is an open market with numerous stalls.
