- ★ **Taster Days** You may be aware that Dave Philp is involved in arranging a number of Taster Days in the coming months. We held one a week last Friday (FootGolf) and everyone who attended really enjoyed the occasion. I am aware though that all the ones we have scheduled are basically sport-orientated so I think it is time to expand our plans to involve other events which might appeal to a different cross-section of our membership. I'm thinking the Arts and Craft / hobbies world which might include things such as Pottery, Painting, Decoration, Wreath and Garland making, Cooking, Photography etc. etc. The whole idea is to allow people to get a taste of something they may not have experienced before and are keen to have a go at. We would pay for the cost of participation and expenses to attend any event.

So as much as the Board will come up with some ideas, this is your opportunity to suggest to us what you might want to include in our programme as ultimately it is you who will want to take part. We cannot promise to meet all wishes as until we start to investigate, we won't know what's available across the region but once we have a short list of suggestions we will get to work.

This is your HASSRA so make the most of it!

Paul W.

- ★ **HASSRA SE AGM : 20 March 2024** After an abysmal Six Nations for my Country, my spirits were truly lifted by the great bunch of people who turned up at the AGM. For those who couldn't make it for one reason or another, you missed a grand day which everyone seemed to enjoy. To the winners of the 2023 awards, hearty congratulations; for those who lost out this year, there's always next year. We are in good shape as a region and have plenty of new ideas for the year ahead so I hope to see many of you in the coming months. Last but not least my sincere thanks to those who put so much effort into making the day such a success. It wouldn't happen without you.
