## **Tote**

As the new captain, Mr French, takes the reins, the Society took on the difficult Woodhall Hills. I say difficult not so much the course (the winning score of 44 points by Richard Wood attests to that) but more how to mark the score on the scorecard. This took a great deal of explaining at the start and the look of bemusement and darn right “not a clue” feeling among the players was palpable.

However, after a damp start the weather actually relented into a reasonable day as promised by the new captain so here’s hoping his promise can last into Mays events and beyond!

With the tote we collected £78 on the day. This meant that we had £42 to the Captain’s Charity and £36 to pay out to those who selected the winner.

There were 4 people who selected Mr Wood each collected £9, they were:

1. Phil Corbett
2. Jon Blythman
3. Brendan French
4. Richard Wood

At the presentation Brendan announced that his charity for the next two years was Prostate Cancer Research. Please support the captain with his charity and good luck.
